

## Why should I attend Student360?

### What is Student360?

Student360 is a student-focused event based off of the Secure360 Conference (the professional conference of choice for comprehensive security and risk management education). The event is focused on offering different “track” areas for learning including two tech sessions, professional advancement/career sessions, a career pavilion and closing presentation by FBI Special Agent Liz Lehrkamp. The event is hosted by the Upper Midwest Security Alliance (UMSA).
